Supplies

Fabric Scraps -

~ 6x13 dark background

~ 5x7 inch star

4.5x6.5 inch fabric for backing

4.5x6.5 inch stiff interfacing (I used Pellon 72F) 1.25x25 inch fabric for binding

9 inch long ribbon (your choice of width)

Pattern template, print actual size

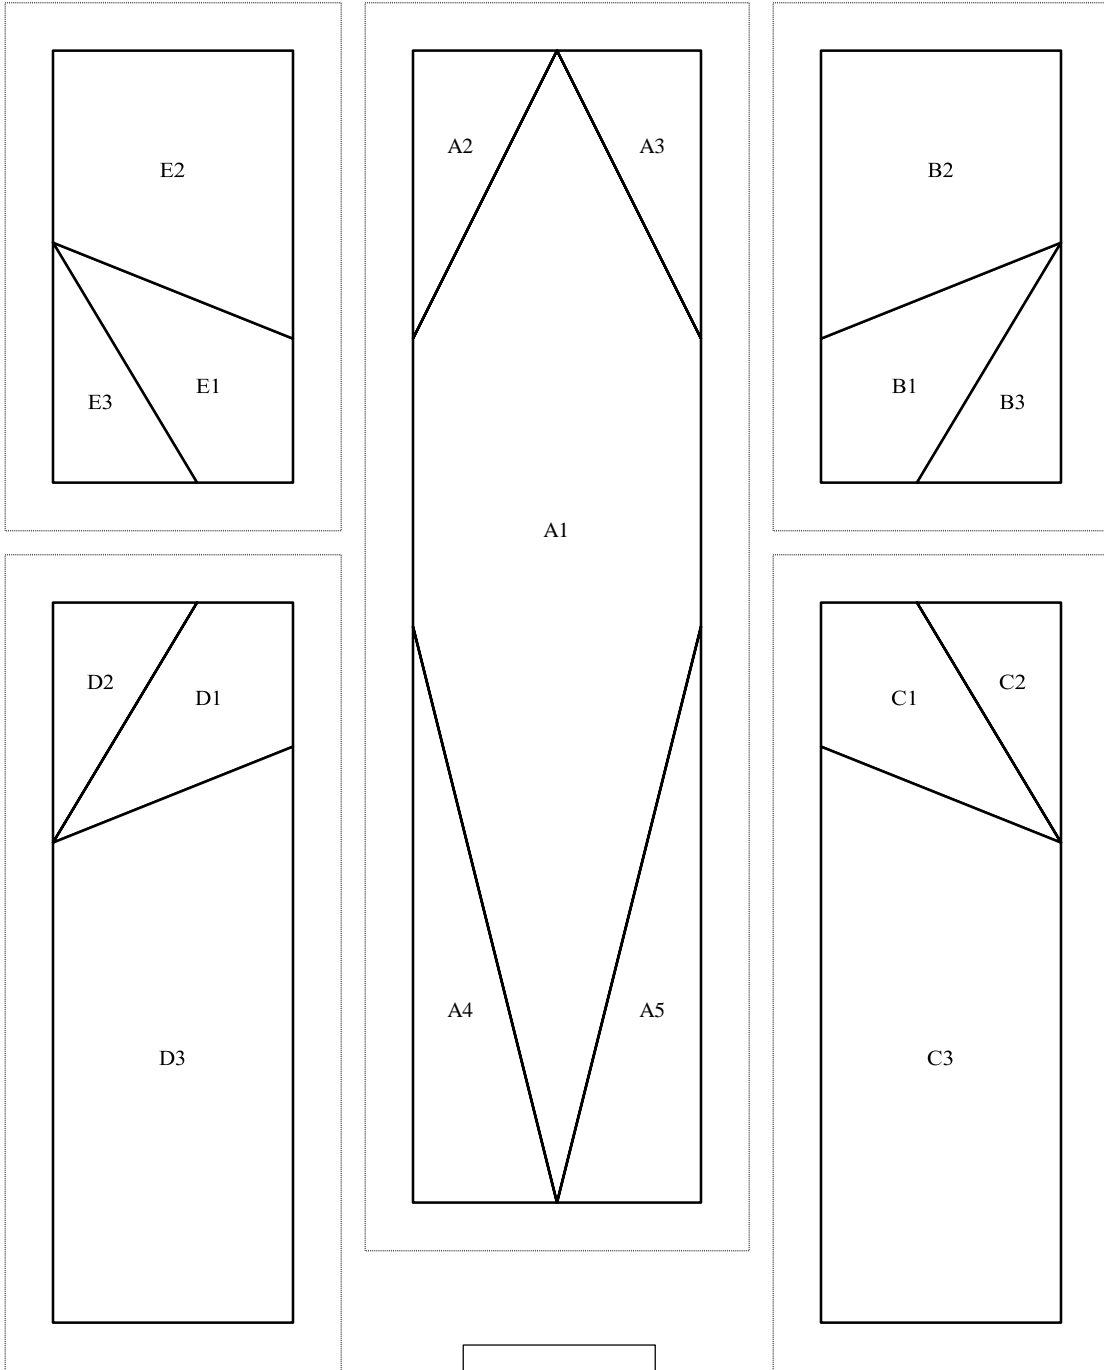

Directions

- 1- Paper piece the templates in order. Attach section B to section C and Section D to Section E. Attach sections BC -> A -> DE. Completed block measures 4.5 inches by 6.5 inches.
- 2- Sandwich interfacing between block and backing. Fuse if necessary according to interfacing directions.
- 3- Fold ribbon in half and line ends up with raw edge of quilt back centered at the top. Baste in place less than $\frac{1}{4}$ inch from edge.
- 4- Bind quilt using a single fold binding technique.
- 5- Bring ribbon up and tack into place.

Postcard

Use a light color backing and write message and address before Step 2. Continue with directions as above, omitting the ribbon.
